PROFESSIONAL PROFILE

Senior trainer, tutor and consultant with a consolidated experience in international business development, cross-cultural negotiation, sales and marketing, export management and corporate training. Supports companies, executives and sales teams in preparing and managing international negotiations, entering foreign markets and building concrete commercial paths, with a strong focus on UAE/GCC, ICT, tourism and logistics. Practical and business-oriented training style: real cases, role plays, negotiation preparation tools, objection-handling exercises, coaching sessions and frameworks immediately applicable in client meetings and international business conversations.
